By supporting [FUND NAME] at Stark Community Foundation, your gift is invested over time, while a percentage of our fund’s balance is granted back to [ORGANIZATION NAME] annually to support our mission.

This example illustrates how an initial $25,000 gift today can grow in just 15 years. By the end of year 15, our fund’s balance would be $39,520 while granting almost $25,000 back in support to [ORGANIZATION NAME].

For illustrative purposes, this chart assumes an annual 4.75% spending rate, 0.75% fee and 8.6% rate of return (Stark Community Foundation’s 10-year return as of December 31, 2021). Projections are not guarantees of future results.
