

THE POWER OF AN ENDOWMENT

By supporting [FUND NAME] at Stark Community Foundation, your gift is invested over time, while a percentage of our fund's balance is granted back to [ORGANIZATION NAME] annually to support our mission.

This example illustrates how an initial \$50,000 gift today can grow in just 15 years. By the end of year 15, our fund's balance would be \$67,293 while granting more than \$40,000 back in support to [ORGANIZATION NAME].

For illustrative purposes, this graph assumes an annual 4.75% spending rate, 0.75% fee and 7.5% rate of return. Projections are not guarantees of future results, and no market value averaging is utilized.
