Independent Auditors' Report

Distribution Committee and Board of Directors
Stark Community Foundation, The Henry and Louise
Timken Foundation, The William and Minnette Goldsmith
Foundation, Health Foundation of Greater Massillon, Lemmon
Foundation, Newmarket Project, Inc. and SCF Development, Ltd.
Canton, Ohio

Opinion

We have audited the combined financial statements of Stark Community Foundation, The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, Lemmon Foundation (collectively referred to as "Foundations"), Newmarket Project, Inc. ("Corporation"), and SCF Development, Ltd. ("Partnership"), which comprise the combined statements of financial position as of December 31, 2023 and 2022, and the related combined statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying combined financial statements present fairly, in all material respects, the financial position of Stark Community Foundation, The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, Lemmon Foundation, Newmarket Project, Inc., and SCF Development, Ltd. as of December 31, 2023 and 2022, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Stark Community Foundation, The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, Lemmon Foundation, Newmarket Project, Inc., and SCF Development, Ltd. and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stark Community Foundation, The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, Lemmon Foundation, Newmarket Project, Inc., and SCF Development, Ltd.'s ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, internal omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stark Community Foundation, The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, Lemmon Foundation, Newmarket Project, Inc., and SCF Development, Ltd.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stark Community Foundation, The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, Lemmon Foundation, Newmarket Project, Inc., and SCF Development, Ltd.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the combined financial statements as a whole. The supplementary information on pages 26 to 28 is presented for purposes of additional analysis of the combined financial statements rather than to present the financial position and results of operations of the individual entities, and it is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the combined financial statements as a whole.

NOTES TO COMBINED FINANCIAL STATEMENTS

Organization and Summary of Significant Accounting Policies

A. Organization and Principles of Combination

The accompanying combined financial statements include the accounts of Stark Community Foundation, a community trust, and Stark Community Foundation, Inc., a charitable corporation, (referred to on a combined basis as "Stark Community Foundation"), The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, Lemmon Foundation, (collectively referred to as "Foundations"); Newmarket Project, Inc. ("Corporation") and SCF Development, Ltd. ("Partnership").

The mission of Stark Community Foundation is to partner with individuals, families, businesses and nonprofits to help them achieve their charitable goals.

The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, and Lemmon Foundation are organized as supporting organizations of Stark Community Foundation under Section 509(a)(3) of the Internal Revenue Code and operate exclusively for the charitable and educational purposes of Stark Community Foundation.

Newmarket Project, Inc. is a corporation which engages in the purchase, rental and sale of real property to enhance the rehabilitation of downtown Canton, Ohio. Stark Community Foundation is the sole member of Newmarket Project, Inc. and is empowered to receive contributions and hold investments for the Corporation.

SCF Development, Ltd. was originally organized as a for-profit limited liability company which was formed to purchase, renovate, and oversee the rental of the historic St. Edward Hotel in downtown Canton. Stark Community Foundation owns 100% of SCF Development, Ltd. During 2017, SCF Development amended its articles of incorporation to become a non-profit limited liability company.

All significant intercompany accounts and transactions have been eliminated in the combination.

B. Basis of Presentation

Accounting standards provide that not-for-profit organizations, including foundations, should classify net assets into categories based on the existence or absence of donor-imposed restrictions. These categories are defined as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions. Use of net assets without donor restrictions may be board designated for specific purposes. Net assets without donor restrictions are presented in the following categories:

STARK COMMUNITY FOUNDATION,
THE HENRY AND LOUISE TIMKEN FOUNDATION,
THE WILLIAM AND MINNETTE GOLDSMITH FOUNDATION,
HEALTH FOUNDATION OF GREATER MASSILLON, LEMMON FOUNDATION,
NEWMARKET PROJECT, INC. AND SCF DEVELOPMENT, LTD.

NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)

Organization and Summary of Significant Accounting Policies (Continued)

B. Basis of Presentation (Continued)

General purpose funds – Funds from donors who want the Board of Directors to use its discretion to make charitable grants to nonprofits that meet the changing needs of the community.

Field of interest funds – Funds which require the Board of Directors to make charitable grants to nonprofit agencies within a broad area defined by the donor.

Donor advised funds – Funds which enable donors to recommend grants to the Board of Directors for organizations and causes that they wish to support.

Designated funds – Funds for specific charitable organizations as designated by the Board of Directors of Stark Community Foundation to receive annual grant income from a fund.

Supporting and affiliated organizations – Funds are managed by the supporting organizations, which include The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, and Lemmon Foundation and an affiliated organization, Newmarket Project, Inc.

Net assets with donor restrictions – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time. Also included in this category are net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. There were no net assets with donor restrictions at December 31, 2023 and 2022.

Because the donor agreements reference the governing documents of the Foundations, which provide for the invasion of principal at the discretion of the Distribution Committee and Board of Directors, all of the Foundations' current donated funds are considered to be without donor restrictions.

C. Cash and Cash Equivalents

Cash and cash equivalents consist primarily of checking accounts and short-term, highly liquid investments with a maturity of three months or less when purchased, excluding cash equivalent funds held in the Foundations' investment portfolio.

D. Contributions Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their future cash flows. The discounts on those amounts are computed using risk-free interest rates, and amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as contributions receivable until the conditions are met.

NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)

Organization and Summary of Significant Accounting Policies (Continued)

E. Investments

Investments in securities and other assets are reported at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the year. Securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at fair value based upon the most recently reported bid prices.

F. Alternative Investments

Stark Community Foundation's investment policy statement has a target of 28% of the total investment portfolio for alternative investment strategies, including defensive equity, real estate, infrastructure, private debt, and private equity. These investments are made with the intention of raising portfolio returns and/or lowering total volatility. In most cases, these investments are implemented via limited partnerships. These investments may not be traded on a national security exchange and are valued based on reports provided by investment managers and the audited financial statements of the funds. The Foundations obtain and consider the audited financial statements of such investments when evaluating the overall reasonableness of carrying value.

The Foundations believe this method provides a reasonable estimate of fair value. However, the recorded value may differ from market value had a readily available market existed for such investments, and those differences could be material. Furthermore, a portion of the alternative investments are measured at net asset value (NAV) as a practical expedient for fair value.

G. Realized and Unrealized Gains/Losses

Realized and unrealized gains/losses are determined by comparison of the market value at the preceding period to net proceeds received at the time of disposal or changes in the difference between market values between periods, respectively.

H. Investment Income

Investment income is shown net of trustee bank and investment management fees of \$1,567,433 and \$1,447,205 for the years ended December 31, 2023 and 2022, respectively.

I. Property and Equipment

Property and equipment is recorded at the lower of cost or fair value as determined by management of the Foundations, Corporation or Partnership. Expenditures for maintenance and repairs are expensed as incurred, while expenditures for additions and improvements are generally capitalized. Depreciation is recorded on the straight-line basis over the estimated useful life of the asset.

I. Property and Equipment (Continued)

Management reviews the investment in property and equipment for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. If the property and equipment is considered impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the property and equipment exceeds the fair value of such property. There were no impairment losses recognized for the years ended December 31, 2023 and 2022.

J. Other Assets

Other assets consist primarily of an investment in the Stark Board of Trade, LLC, a beneficial interest in trust held by a third party, and the cash surrender value of life insurance policies.

K. Funds Held as Agency Endowments

Accounting standards provide guidance for transactions in which a donor transfers assets to a not-for-profit organization that accepts the assets from the donor and agrees to transfer those assets, the return on investment, or both, to a donor or another entity specified by the donor. Pursuant to these standards, certain agency endowment funds received by Stark Community Foundation are considered liabilities, rather than net assets of Stark Community Foundation.

L. Income Taxes

Stark Community Foundation, The Henry and Louise Timken Foundation, The William and Minnette Goldsmith Foundation, Health Foundation of Greater Massillon, and Lemmon Foundation qualify as organizations exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code. Health Foundation of Greater Massillon was a private foundation under Section 509(a), but has terminated this status through Section 507(b)(1)(B) through December 31, 2021 to become a public charity under Section 509(a)(3). Newmarket Project, Inc. is exempt from federal income taxes under Section 501(c)(2) of the Internal Revenue Code. SCF Development, Ltd. is a single-member limited liability company; therefore, all activity is included in Stark Community Foundation for tax reporting purposes.

Stark Community Foundation is subject to unrelated business income tax on a portion of the income earned on alternative investments and unrelated debt-financed income. Federal tax expense for the year ended December 31, 2022 was \$2,568.

An income tax overpayment of approximately \$12,400 has been carried forward from 2022. The liability for 2023 is not expected to exceed that amount. There was no cash paid for income tax in 2023 or 2022.

L. Income Taxes (Continued)

Management believes that there is appropriate support for any tax positions taken, and as such, they believe that they do not have any significant unrecognized tax benefits that are material to the combined financial statements.

M. Right-of-Use Asset and Operating Lease Liability

Right-of-use ("ROU") asset and operating lease liability are recognized based on the present value of the future minimum lease payments over the lease term at commencement date. As Stark Community Foundation's leases generally do not include an implicit rate, Stark Community Foundation used the rate that would be used if using a lender to purchase the asset over the time frame of the lease to determine the present value of future payments. The operating lease ROU asset also includes any payments made and excludes lease incentives and any initial direct costs incurred. Stark Community Foundation's ROU asset and operating lease liability are calculated including options to extend the lease when it is reasonably certain that Stark Community Foundation will exercise the option. Lease expense for minimum lease payments is recognized on a straight-line basis over the term of the lease.

N. Credit Risk Concentration

As a matter of policy, the Foundations, Corporation and Partnership only maintain cash balances with national financial institutions. The cash and investment balances may at times exceed insurance limits. Management does not believe it is exposed to any significant credit risk on cash and cash equivalents. Concentration of credit risk for investments is mitigated by both the distribution of investment funds among asset managers and the overall diversification of managed investment portfolios. Concentration of credit risk for contributions and notes/loans receivable is generally limited due to the dispersion of these balances over a wide contribution base.

O. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

P. Functional Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These expenses are allocated on the basis of estimates of time and effort.

Q. Reclassification

Certain information previously presented has been reclassified to conform to the current year presentation.

R. Subsequent Events

Management has evaluated subsequent events through August 8, 2024, which is the date the financial statements were available to be issued.

The terms of two notes receivable were updated based on amended note agreements dated June 25, 2024 and an additional loan was made on June 11, 2024 as described in note 2.

S. Adoption of New Accounting Standard

As of January 1, 2023, the Foundation adopted Accounting Standards Update No. 2016-13, Financial Instruments – Credit Losses (Topic 326) ("ASC 326"). ASC 326 replaced the incurred loss model for measuring the allowance for credit losses with a new model that reflects current expected credit losses ("CECL") that are expected to occur over the lifetime of the underlying notes and loans receivable. The CECL methodology is applicable to the financial assets that are measured at amortized cost, including trade accounts receivable and notes and loans receivable. The Foundation adopted ASC 326 using a modified retrospective approach, which did not have a material impact to the financial statements.

Note 1. Liquidity and Availability

The Foundation continuously manages and monitors cash to ensure resources are available for general expenditures, liabilities and other obligations as they come due. While maintaining liquidity for operations is paramount, Stark Community Foundation also tries to maximize earnings. Stark Community Foundation does invest operating cash, in excess of daily requirements, in money market funds and other short-term investments.

Financial assets to meet cash needs for general expenditures, including management and general expenses, fundraising expenses and some program expenses, comprise the following at December 31:

	<u>2023</u>	<u>2022</u>
Cash and cash equivalents	\$ 117,966	\$ 95,942

STARK COMMUNITY FOUNDATION,
 THE HENRY AND LOUISE TIMKEN FOUNDATION,
 THE WILLIAM AND MINNETTE GOLDSMITH FOUNDATION,
 HEALTH FOUNDATION OF GREATER MASSILLON, LEMMON FOUNDATION,
 NEWMARKET PROJECT, INC. AND SCF DEVELOPMENT, LTD.

NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)

Note 1. Liquidity and Availability (Continued)

The Foundation's Board of Directors has opted to charge an administrative fee to all funds to cover the general expenditures necessary to operate the Foundation. These fees are assessed by the Foundation quarterly based on the fund's most recent market value. The Administrative Fee Schedule is based upon the specific type of fund and the balance in the fund. The administrative fee amounted to \$2,913,802 and \$2,727,400 for the years ended December 31, 2023 and 2022, respectively. Estimated administrative fees available for general expenditures in 2024 are \$3,060,000.

Funds that are endowed or that operate according to the Foundation's spending or charitable payout policy are typically invested in the Foundation's investment pool based upon a detailed Investment Policy Statement, which contains a specific asset allocation strategy. The spending rate is reviewed annually and can be retained, lowered or raised by no more than .25%. The current spending policy stands at 4.75% of the average ending market value of assets for the preceding twenty quarters. Based upon the current spending rate for 2024, an estimated \$2,182,250 will be allocated and available for granting at the Board's discretion.

Note 2. Notes and Loans Receivable

The detail of notes and loans receivable as of December 31 is as follows:

Note 6. Note Payable

- A. Note payable consisted of a mortgage payable from SCF Development, Ltd. to Huntington National Bank in the amount of \$1,776,211 at December 31, 2021. Monthly payments included interest at a variable rate and a scheduled amount of principal. A balloon payment was to be due in April 2025. However, the loan was paid off in September 2022 when the building securing the mortgage was sold.
- B. During 2015, SCF Development, Ltd. entered into an interest rate swap agreement on the outstanding balance of the mortgage payable to fix the note's interest rate at 3.94% through April 2025. The fair value of this agreement was a liability of \$64,842 at December 31, 2021. The swap was terminated upon paying off the mortgage payable at which time the swap's fair value was an asset of \$62,110. The effect of the change in the swap liability of \$126,952 is included as a decrease in interest expense on the accompanying combined statement of functional expenses for the year ended December 31, 2022.

Note 7. Retirement Benefits

Effective January 1, 2010, the Stark Community Foundation 401(k) Plan ("Plan") was adopted. Eligible employees of Stark Community Foundation receive an employer matching contribution plus a safe harbor employer contribution equal to 3% of eligible compensation. Additional employer contributions may be made at the discretion of the Board of Directors in accordance with the terms of the plan document. The amount of employer contributions to the Plan for the years ended December 31, 2023 and 2022 was \$66,082 and \$60,359, respectively.

Note 8. Intercompany Transactions

- A. Stark Community Foundation leased office space from SCF Development, Ltd. The terms of the lease provided for monthly payments of \$5,556 for a five-year term ending October 31, 2022. This lease was terminated in September 2022 when the building was sold. The rental income and expense eliminate in combination.
- B. Stark Community Foundation has a promissory note due from Newmarket Project, Inc. for \$3,000,000 at December 31, 2023 and 2022. The note bears interest at 4.0% and was due April 30, 2021. The note is under discussion as of December 31, 2023. The note payable/receivable and the related interest expense/income are eliminated in the accompanying combined financial statements.
- C. Stark Community Foundation has a promissory note due from Newmarket Project, Inc. for \$2,999,988 at December 31, 2023 and 2022. The note bears interest at 4.0% and is due December 30, 2024. The note payable/receivable and the related interest expense/income are eliminated in the accompanying combined financial statements.

Note 9. Endowment Funds

The Board of Directors has approved an investment policy detailing the long-term goals, asset allocation, guidelines for security selection, measurable objectives and on-going communication. Objectives of the Foundations are, first and foremost, to preserve the safety of the principal and second, to maximize investment income. Endowment funds are subject to the investment policy approved by the Board of Directors.

The Foundations' endowment consists of approximately 948 individual funds established for a variety of purposes. The Foundations classify these funds as net assets without donor restrictions; however, the Foundations manage funds established by donors as endowed funds in accordance with terms set forth in the individual fund agreements. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Endowment funds are appropriated based on an approval process through the Board of Directors. Specific committees and donors recommend amounts to be disbursed from the accumulated earnings of the endowment funds, which are then approved for appropriation by the Board of Directors.

	<u>Without donor restrictions</u>	
For the years ended December 31:	<u>2023</u>	<u>2022</u>
Endowment net assets, beginning of year	\$ 254,679,657	\$ 292,976,962
Investment return:

Contributions	23,793,821	15,567,647
Appropriation of endowment assets for expenditure	<u>(22,234,446)</u>	<u>(23,424,567)</u>
Endowment net assets, end of year	\$ <u>293,269,475</u>	\$ <u>254,679,657</u>

Note 10. Fair Value Measurements

The carrying values of cash and cash equivalents, interest and dividends receivable, notes and loans receivable, accounts payable and accrued expenses and grants payable are reasonable estimates of fair value due to the short-term nature of these financial instruments. Investments, liability to annuitants and the interest rate swap (a cash flow hedge) are reported at fair value. The recorded amounts of contributions receivable and other assets approximate fair value. The recorded value of notes payable approximates fair value because the interest rates fluctuate with market interest rates.

NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)

Note 10. Fair Value Measurements (Continued)

The Foundations and Partnership estimate the fair value of financial instruments using available market information and other generally accepted valuation methodologies. Fair value is defined as the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The asset's or liability's fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement.

The Foundations value the liability to annuitants based upon interest rates, yield curves and life expectancy tables using the income technique for the duration of the annuities. The resulting values are generally considered Level 2 valuations.

The Foundations value substantially all of their alternative investments (including Level 2 and Level 3 investments) at amounts reported by the investment managers and as validated through consideration of the audited financial statements of such investments. Accordingly, the Foundations do not use separate quantitative information to value such investments. Furthermore, a portion of the Foundation's investments are measured at net asset value as a practical expedient. The fair values of these investments have been estimated using the net asset value of the Foundation's ownership in the capital. The redemption terms vary based on the investment funds.

The valuation methods used for financial instruments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2022 to 2023. Furthermore, while the Foundations and Partnership believe their valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 11. Leasing Arrangements

Stark Community Foundation leases office space under an agreement accounted for as an operating lease. The agreement meets the criteria to be accounted for under ASC 842. For the years ended December 31, 2023 and 2022, expense incurred for the lease was \$73,200 and \$12,200, respectively. Cash paid against the lease liability was \$50,793 and \$8,273, respectively for the years ended December 31, 2023 and 2022 and is included in operating cash flows.

The following table displays undiscounted cash payments related to the operating lease under ASC 842 as of December 31, 2023, along with a reconciliation to the discounted amount recorded on the balance sheet. Minimum lease payments under non-cancellable leases due within the years ending December 31 are as follows:

2024	\$ 73,200
2025	73,200
2026	73,200
2027	73,200
2028	73,200
Thereafter	<u>280,600</u>
Total undiscounted cash flows	646,600
Impact of present value discount	<u>(99,484)</u>
Operating lease liabilities	<u>\$ 547,116</u>

NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED)

Note 11. Leasing Arrangements (Continued)

As of December 31, 2023, the weighted average remaining lease term for all operating leases under ASC 842 is 8.76 years. Because Stark Community Foundation generally does not have access to the rate implicit in the lease, Stark Community Foundation utilizes its incremental borrowing rate as the discount rate. The weighted average discount rate associated with operating leases under ASC 842 as of December 31, 2023 is 3.94%.
