# ORGANIZATION ENDOWMENT FUNDS

a fund protects your mission while it grows to make the most impact

Your nonprofit organization can ensure its programming in perpetuity.

These funds are **unique**.

An Organization Endowment Fund provides a relatively constant source of income, protects the capital of your organization and demonstrates security and financial planning to donors. Stark Community Foundation provides the resources and support to help make your investment stronger and your impact last longer.

Create an **endowment fund** if you:

- are a nonprofit organization with an IRS 501 (c)(3) status, government entity, school system or church.
- want to demonstrate to your donors confidence and security in your long-term financial planning.
- intend to distribute a permanent source of income to your organization.
- want to protect the long-term value of your investment against market fluctuations.
- aspire to enjoy the leverage, economies of scale and portfolio diversification of a large investment pool.
