

INVESTMENTS AT A GLANCE

The table below details the performance of Stark Community Foundation’s corporate pool on a total return basis (net of investment costs). These figures do not reflect the performance of any individual fund, but rather show the total performance of the pool.

	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018
Actual	20.3%	12.7%	-1.7%	11.9%	16.7%	1.9%	-3.0%	8.2%	15.4%	-9.1%

ASSET ALLOCATION

The chart below reflects the asset allocation of Stark Community Foundation’s corporate pool. Asset allocations are recommended by the Investment Review Committee of the Board, with guidance provided by the Foundation’s investment consulting firm, Colonial Consulting, and approved by SCF’s Board of Directors.

Asset Allocation as of 12/31/18
