## Scholarship Scoring Rubric

Feel free to use this grid to score applicants from 1-10 in the categories listed. We have provided a blank column to add your own unique category if your scholarship has a particular focus, such as "interest in engineering." After you've totaled each student's scores, you may share with your committee members to find an average and rank your top candidates.

| Student | Academics | Extracurricular <br> Involvement | Financial <br> Need |  <br> References |  | Total |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Amy Moore | 7 | 8 | 4 | 10 |  | 29 |
|  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |
